

Logical prime

Special edition notebook

Logical prime notebook is high quality, especially to the touch.

Each sheet is very smooth which makes writing easier.

The notebook cover is also very durable.

Seven prime features

- ★ Easy to write smoothly. (twice as flat and smooth as standard version)
- ★ Thick and durable cover.
- ★ Thick and durable paper for body is 7% thicker and firmer than standard version.
- ★ Ink hardly blurs or goes through the paper.
- ★ Green lines allow for a calm and more focused writing experience.
- ★ Division marks to split 1 page into 2, 3, or 4 sections.
- ★ Wide space for title and date.

 You can choose the ruled line. The ruled line is distinguished depending on the color of the cover.

Sewn binding

W ring notebook

Green

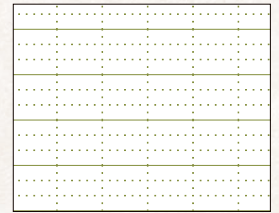

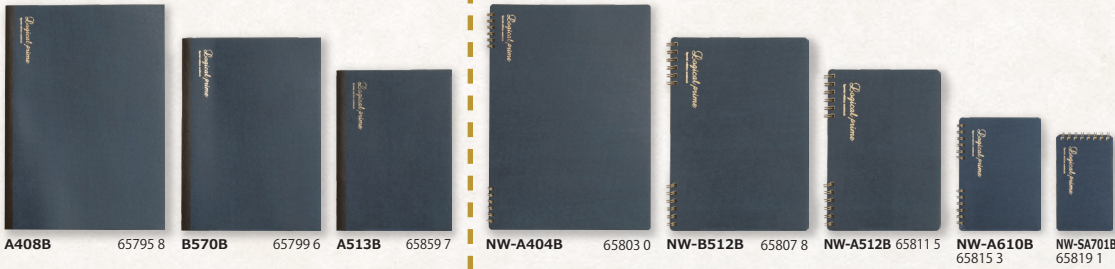

7mm space between lines and many dots. Lines help you write any words and draw any figure neatly.

Logical A (7mm)

Blue

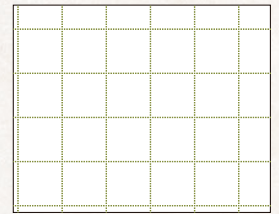

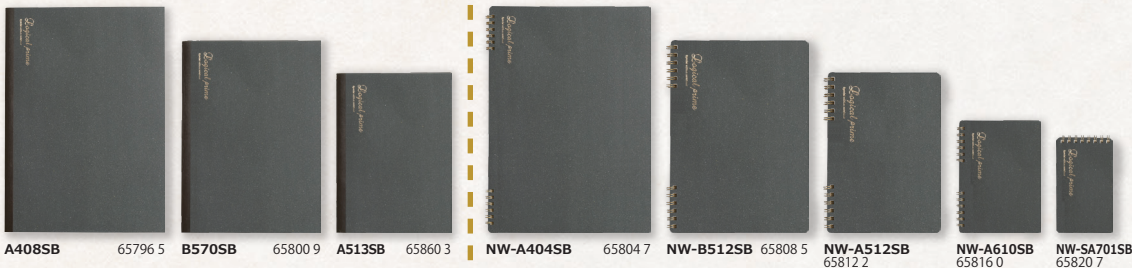

6mm space between lines and many dots. Lines help you write any words and draw any figure neatly.

Logical B (6mm)

Black

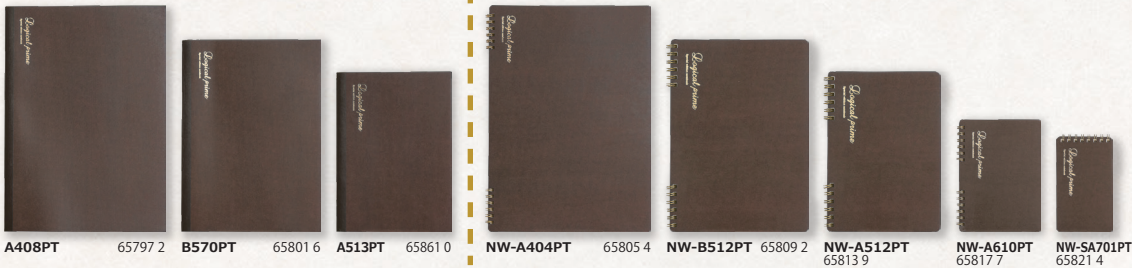

The grid page is available for using it vertically and horizontally.

Logical Grid (6mm)

Brown

Including pointed 12x15 divisions but looks like almost plain page supporting you getting idea.

Logical Point (12x15 divisions)

Plain page for drawing illustration with fountain pens.

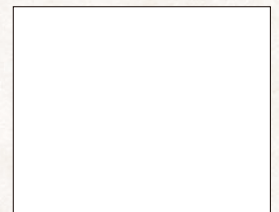

Good compatibility with "Sunaoiro Ink" our product for fountain pen.

Ink runs smoothly.

Ink hardly blurs or goes through the paper.

White

Plain page for drawing illustration with fountain pens.

Plain
